# FREEDOM OF CHOICE.

No matter which NightRider ring you choose, the message is clear—you've chosen the American original. Every ring is loaded with detail, painstakingly handcrafted into a wearable work of art. And since it's made in the USA with solid .925 silver and hand-selected gemstones, the exceptional quality is a given, not a choice.

Which will *you* choose? Experience the complete collection online today.

Dear Reader,

Here we go again! Last year's forecast for Monterey Auto-Madness Week was "more cars, more money, more buyers, more sellers, more car shows, more exhibits, and of course, the Pebble Beach Concours d'Elegance. More, more, more..."

But, this year, it's different. The Pebble Beach Concours has always extended an invitation to a particular "marque" (or marques) that will be showcased in addition to various year-continent-feature classes. This year's selection is "duPont". This, indeed, is an extraordinary honor for this writer and one that will long be remembered by many members of my family and, hopefully, the collector car enthusiast family as well. Look for a dozen or so examples of the best offerings from the duPont Motorcar Company in our special marque class. There are only about

31-33 known examples left in the world today. They all feature stunning coachwork, late 20's technical and mechanical breakthroughs, top-shelf engineering and fabulous motoring performance. I look forward to seeing you on the "green" on Sunday, August 16th. Look for my 1929 duPont LeMans 4-place Speedster!

Of course, the Monterey Auto Week is about more than a single marque's display on Sunday. To go to every event would be impossible. To go to most events would, at the very least, be exhausting. The prices are by no means inexpensive, but all are worth the "investment". Contrary to the world of potato chips and spices, Pebble Beach and the related auctions, shows, receptions, etc. are packing **MORE** into the special week of Auto-madness. The government regulations in the consumer products world call the empty space in your latest purchase of chips, pepper, Slim Jims or Old Spice deodorant, "slack fill". In the sensitive world of toilet tissue, it's called "de-sheeting". Conclusion: in the world of classic, luxury and exotic car show days, weekends, and weeks, you are getting **MORE** not less. We applaud the distinction.

In the automotive media end of business, we align with car shows like Monterey Auto-Madness Week. The *duPont REGISTRY™* is providing the very best in print media, the most useful in electronic media and the best experience in shows...all with less staff, and more effort every month, weekend, and day. Hats off to the team for a great first half of 2015! And, thanks to you, our readers and advertising partners who all made it happen. Now more than ever, the epicenter of the marketplace for classic, luxury and exotic automobiles AND related luxury goods for the sophisticated connoisseur of elegance.

Happy Motoring,

Thomas L. duPont  
Publisher/Chairman

P.S. Uncover the madness of Monterey's auctions right here. Our own special featured offerings brought to you in living color with no noise, no travel, no pre-sale registration. Not that auctions are bad (we love them), but right here in your hands is a collection of the very best exotic super cars available. The cover car is (obviously) the unbelievable Ferrari LaFerrari and the balance of the now-for-sale collection is located on pages 64-67. Take a look. Worth over \$11 million? You bet! Enjoy!

### Admiral's Cup AC-One 45

#### Double Tourbillon

*Chronometric precision  
accelerator*

For over two centuries, the tourbillon has been a symbol of chronometric precision. Designed to compensate for gravity-induced rate variations in vertical positions, it remains one of the major complications that is the hardest to produce. Corum has achieved an authentic tour de force in equipping its new Caliber CO 1008 with not just one but indeed two parallel-mounted tourbillons, dedicated to ensuring remarkable accuracy backed by a generous 72-hour power reserve. And the feat doesn't stop there, since this masterfully orchestrated mechanism is fitted with a retrograde date and a particularly innovative timeadjustment device. Simply by pressing the crown pushbutton, the wearer can bring the minutes hand instantly to the 12th index so as to set the exact time—and this can be done up to five minutes before or after a full hour.

Available in 18K red gold or grade 5 titanium, the case of the Admiral's Cup AC-One Double Tourbillon stylishly displays a generous 45 mm diameter enhanced by an immediately recognizable design. Clearly cut out for adventure, it is endowed with impressive water resistance to a depth of 300 meters.

Price available upon request.

Available at Corum Boutique:  
Miami, FL 855.840.0884

## duPont REGISTRY™ Cars & Coffee - June 2015

It was the beginning of the longest day of the year with some of the hottest temperatures so far this summer, but the long hours of sunlight and rising temperatures ahead didn't deter a large crowd of enthusiasts.

Nearly 1,000 spectators gathered for the monthly duPont REGISTRY™ Cars & Coffee gathering, making for one of the largest shows we've ever hosted.

The parking lots surrounding our headquarters and BIC Graphics next door were filled with dozens upon dozens of stunning vehicles.

Visit: [blog.dupontregistry.com/dupont-features/](http://blog.dupontregistry.com/dupont-features/) to see more photos and the complete article on the following stories.

## Dual Time Manufacture by Ulysse Nardin

duPont REGISTRY™ Watch of the Month: Born from an iconic line, the Dual Time Manufacture enables the second time zone and date to be adjusted both forward and backward. Never before has a watchmaker so perfectly fulfilled the desire for comfort of frequent travelers and explorers. Part of an iconic Ulysse Nardin collection,

the launch of the Dual Time Manufacture was a significant milestone in the history of contemporary watchmaking.

## Two McLaren 570S Prototypes at Dimmitt Automotive

It's the first model in McLaren's highly anticipated Sport Series, and while it hasn't been released for sale just yet, Dimmitt Automotive Group in St. Petersburg, Florida is anticipating a waiting list at least a year long. There are currently two prototypes of this powerful daily driver on display at Dimmitt Automotive Group, one in Blade Silver and the other in Ventura Orange.

The Blade Silver example was first introduced to the dealership April 18, during their monthly Cars & Coffee After Party, and the Orange arrived just this past weekend. The two are both stunning, and it's difficult to compare one with the other.

## Lamborghini Aventador SV Sold Out

Those who were hoping to own an Aventador SV are going to have to begin searching our website for listings, because all 600 planned for production have been sold. The production numbers were only released April 20, just slightly over a month ago, but a June 1 Autovisie article on [Telegraaf.nl](#) tells us that each has found a home.

An importer reportedly filled Autovisie in on the details, letting them know that 200 are planned for delivery to North and South America, 200 to the Asian-Pacific market and the last 200 for Europe.

## Porsche Finishes Production on the 918 Spyder

It seems as though it's over just as quickly as it all began: after 21 months of production time, Porsche has rolled the last 918 Spyder off of the line in Stuttgart-Zuffenhausen. This news comes to us in a press release issued June 19 by Porsche.

It's sad to see the 887 hp hybrid hypercar go, but we know that Porsche will be using the groundbreaking technology at the center of the car in future models.

More at: [blog.dupontregistry.com/dupont-features](http://blog.dupontregistry.com/dupont-features)

## The Carrera GT: Own Porsche Supercar History

Porsche has long been renowned for its impressive abilities in crafting powerful and sleek cars for the road and the track, but a few of their production models stand out far beyond the rest for their ability to conquer both. From 1986-89, the 959 reigned supreme in the world of luxury performance cars. Its twin-turbocharged flat six engine was capable of reaching 195 mph, making it the fastest car of its time. But it wasn't until nearly 20 years later that another supercar came from the marque: the Carrera GT.

More at: [blog.dupontregistry.com/dupont-features](http://blog.dupontregistry.com/dupont-features)

## Porsche Design Chronotimer Series 1 Timepieces Introduced

With a call back to their history and a strong gaze on the future, Porsche Design has unveiled their latest timepiece for men: the Chronotimer Series 1. Though based on the first Porsche timepiece ever created, a design from Ferdinand Alexander Porsche in 1972, these timepieces have been developed entirely independently by the marque's design house. His principals of design were optimal readability, technical perfection, highest quality materials and puristic design with a focus on function, and each of those has been fully imbued in this new line.

## Spike's Tactical Gurkha RPV by Terradyne Armored

A collaboration between famed firearm manufacturer Spike's Tactical and Terradyne Armored Vehicles is one that will undoubtedly result in something jaw-dropping.

Recently, the two companies did, in fact, team up for a special edition Gurkha RPV. When Spike reached out to Terradyne to build a Gurkha RPV Civilian Edition they knew that the end result would be nothing short of a monster.

The final RPV build is created around the Gurkha RPV Civilian Edition and consists of a blacked out exterior with matte black paint, 40.5" Michelin XZL tires, 2 + 3 seating configuration and GPS navigation, and it's powered by a 6.7-liter V8 turbo diesel engine. And, because it is the special Spike's Tactical Edition, it includes some upgrades specific to the company, including a towing package, front winch, IR lights and an LED light bar package by Rigid Industries.

**WE BUY CARS!**

[www.naplesmotorsports.com](http://www.naplesmotorsports.com)

**2008 FOREST RIVER CHARLESTON 410DST.** 31,491 miles. This 41' Charleston is an impressive RV! It is a triple slide unit (two slides in the living area, one in the bedroom) so it opens up into an almost 500 square foot living space that feels like a luxury apartment. It has a bath and a half (two toilets, one shower) so you don't have to climb over the bed to use the bathroom when the slide out is in (and there's no race to the bathroom when you get back after a hike). It has a very functional kitchen with tons of counter space and a hide-away peninsula. The bed is a king-size sleep number bed. The very comfy leather sofa has a hide-a-bed built in too. There's a front-loading washer and dryer in the rear bathroom. Asking price \$129,990. Please call (512) 809-9066 or E-mail dupont@StresslessAuto.com. www.StresslessAuto.com.

**2004 LAMBORGHINI GALLARDO.** 5.2L V10 – E-Gear – AWD – 22k Miles. This Lamborghini is an eye-catching Metallic Blue with Navy and Cream leather covering the interior. Includes all the modern conveniences - navigation, backup camera, excellent stereo, paddle shifters, soft-touch buttons, and more. The backup camera and head unit are aftermarket, but the factory head unit is included. Bumper and wheels were upgraded with 2012 Gallardo parts by Lamborghini dealer (no accidents – just cosmetic upgrades). \$99,990 plus TT&L. Call Lee (512) 809-9066. dupont@StresslessAuto.com. www.StresslessAuto.com

**1980 TOYOTA LANDCRUISER BJ-40 4X4.** Flame Red, Factory Diesel, Restored, 4-Spd Manual. The Diesel BJ-40 was not sold in the US market, this one was imported from Canada in 2003 so it is a true BJ-40, not a conversion. Rhino-lined interior floor. Lifted. Seats in great shape. New clutch. Runs and drives well. Its ready for your next adventure! Includes soft top and bikini top. \$24,990 plus TT&L. Call Lee (512) 809-9066. dupont@StresslessAuto.com. www.StresslessAuto.com.

**1994 ACURA NSX.** Brooklands Green Metallic on Tan – Automatic – 69k Miles. #16 of 16 in this combination! Power everything (mirrors, windows, doors, seats), automatic climate control, stereo (sounds great!), and the 3.0L V6 V-TEC engine purrs! The tires are like new. All the service is up to date. It comes with records from the prior two owners, including a timing belt service, replacing all the hoses, etc. This is an iconic design the affected the look of cars for years! \$39,990 plus TT&L. Call Lee (512) 809-9066. dupont@StresslessAuto.com. www.StresslessAuto.com.

**1955 FORD FAIRLANE 4-DOOR SEDAN RESTO-MOD.** V8. Less than 1k miles since it was restored. The intent of this restoration was that it be comfortable and quiet to drive at 70 mph as well as reliable enough to travel in, like a modern car. Sound insulation, good stereo, A/C, and disc brakes are just a few of its features. This car's restoration process was done with no expenses spared (over \$45k invested). \$28,990 plus TT&L. Call Lee (512) 809-9066. dupont@StresslessAuto.com. www.StresslessAuto.com.

**[www.sanfranciscosportscars.com](http://www.sanfranciscosportscars.com)**

**2013 FORD MUSTANG SHELBY GT500 SUPER SNAKE.** If you are a true mustang addict, this should be the centerpiece of your collection. While the "normal" Super Snake had to make due with 850 hp, the Hole Shot package retailed for \$22,995 and makes over 900 hp. Starting with four giant camshafts, the package adds long tube headers and high flow cats. The crank pulley is overdriven 10% to slow down the accessories. A twin disc clutch and Torsen differential are added to cope with the power. This package also includes all components from the Anti-Hop kit which replaces all control arms, adds full sub frames, a tunnel brace, welded axle tubes, and a surge tank for the differential, and chrome moly axle shafts. Before delivery the car was dyno tuned to dial in the computer to the cams and exhaust. The paint is a deep candy red with the Super Snake decal package in silver. Matte black forged 20" wheels. This pampered machine has only been driven 732 miles and comes with all documentation. \$189,000. Call (941) 201-2067. E-mail [aaestate15@yahoo.com](mailto:aaestate15@yahoo.com).

**OFFICIAL SHELBY® CSX COBRA® DEALER**

## ***Shelby 427 'Competition Cobra' - CSX3000 Series***

In 1965 Carroll Shelby was in a race against the clock to produce 100 completed 427 'Competition Cobras' to qualify as an FIA GT class manufacturer. Falling short of the requirement, Shelby put the project on hold. 50 years after the original project began, the Carroll Shelby Trust has elected to complete the remaining 34 Competition Chassis big block Cobras. Building the cars from scratch and sold as true race cars, these Shelby 427 'Competition Cobras' are a complete vehicle including an Iron 427 FE side-oiler engine. The CSX3000 series Cobra was built closely to the GT class specs used by Shelby American to compete for the 1966 FIA World Championship.

The original style details are carried throughout the vehicle including the hand rolled aluminum body, cast iron bell housing and rear end, top loader manual transmission, original style Gurling disk brakes, and Koni coil over shocks. Each of the 34 remaining 427 'Competition Cobras' come with an MSO signed by Carroll Shelby listing it as a 1965 Shelby Cobra. This series of the Cobra will also be submitted and listed in the Shelby American Automobile Club Registry. The CSX3000 427 'Competition Cobra' will be offered at \$500,000.00 limited to the first five completed Cobras released in the series.

A portion of the sale from each Shelby 427 'Competition Cobra' (above and beyond fair market value) will be a tax deductible donation to aid in the construction of the Shelby Automotive Museum in Los Angeles, California. The Shelby Automotive Museum is a tax exempt 501(9)(3) non-profit public benefit corporation that was created to carry on the heritage of American racing, including Carroll Shelby's contributions throughout his life time. Contact Den Beste Motorsports for information on purchasing this limited edition piece of American automotive racing history.

### **Private Collection Vehicles Available**

\*\*These vehicles are a private party sale separate from Den Beste Motorsports, LLC

#### **1962 Lincoln Convertible**

This is an elegant automobile that can be driven daily yet looks as if it belongs on the showroom floor! Fully restored including new exterior paint in sleek black and full new interior. Complete with iconic 'suicide' doors.

\$105,000.00

#### **1969 Ford Mustang GT350**

In 1969, only 824 GT350 fastbacks were built. 247 of them had the Close ratio four-speed transmission. Only 31 of those GT350's were built Candy Apple Red with Black interior and just 10 had deluxe seat belts/warning light, this is one of those!

\$92,000.00

#### **1970 Ford Boss 302**

Acquired from Barrett-Jackson in 2006. This Boss 302 is an unrestored example of Ford Motor Company's response to the ultra-competitive Trans-Am racing pressures that were dominated by Ford in 1970.

\$90,000.00

#### **1999 Shelby Series 1**

Rare black with red stripes. A 6-speed 4.0L V8 engine producing 320HP at 6500RPM. As advertised when new will do 0-62MPH in 4.4 seconds and records 12.8 seconds in the 1/4 mile at 112MPH. Top speed is 170MPH.

\$120,000.00

No other combination of sound, feel, sight and soul will suffice. Nothing else is as timeless or as thrilling. With the first ever Cayman GTS, nothing else delivers mischief quite as powerfully. Equipped correctly, 340 horsepower handily delivers 0–60 in 4.3 seconds on its way to a top track speed of 175 mph. Clearly, the Cayman GTS is in possession of ulterior motives. Porsche. There is no substitute.

# If Life Is A Journey, Make It In Style

Mercedes-Benz

The Best Of The Best  
the 2015 **Mercedes-Benz S550**

## 2015 Mercedes-Benz **S550 Sedan**

From the stylish sedans preferred by heads of state to championship racing cars, Mercedes-Benz has always defined the best in the automotive world.

That tradition continues with the 2015 Mercedes-Benz S550 Sedan.

Edmunds.com calls it: "...a step above other elite full-size luxury sedans in terms of refinement, technology and luxury."

Powered by a turbocharged 4.7-liter V8 engine that harnesses 449 horsepower for 516 pound-feet of torque, the S550 can make the leap from 0 to 60 in under 5 seconds.

While the S550 projects power and sleek athleticism in its exterior, inside the handcrafted cabin, it's all about luxury, quality and leading edge technology that is absolutely without equal. Standard features include leather upholstery, cabin fragrance system, in-car WiFi hotspot and 13-speaker Burmester surround sound audio system.

An elegant, energetic and enormously comfortable journey awaits you today in the new 2015 Mercedes-Benz S550 sedan at Mercedes-Benz of Tampa. Don't keep it waiting.

**2012 BENTLEY MULSANNE.** Fountain Blue exterior with Linen leather interior and French Navy trim & piping. What a spectacular motorcar, from front to rear this Mulsanne is impeccable. Comes loaded with options such as Premier specification package, heated/cooling/massaging front and rear seats, 10 way power reclining rear seats, screens and much more! MSRP over \$330,000!! Still under factory warranty. We are cash buyers for your similar car. \$169,000. (888) 859-2558. [www.classicmotorco.com](http://www.classicmotorco.com).

**2007 BENTLEY CONTINENTAL GTC.** 52K Miles. W12, 552hp, 6-speed Automatic, AWD, Barnato green exterior, tan leather interior, power everything, anti-theft system, universal garage remote, 12-speaker stereo, CD Player. Well-maintained and recently detailed by the dealership. Its custom Barnato Green exterior is a custom and now discontinued color. The gentle growl that emanates from under the hood is soothing at idle, but reveals a luscious roar with even the gentlest throttle. Asking \$79,000. Please call Eric at (717) 303-9446 or [downs.eric@gmail.com](mailto:downs.eric@gmail.com).

# VANTAGE MOTORWORKS, INC.

Celebrating 40 Years!

If the acquisition of an uncompromised source of pleasure, or the refurbishment of your present motorcar is on your agenda, we'd appreciate the opportunity to serve you. Throughout more than four decades as one of the leading completely self-contained restoration and sales facilities in this area of the industry, our view has been that the responsibility due these rolling works of art is at least equal to that owed our long list of satisfied clients and friends.

A sampling of our inventory appears below. Each will be thoroughly prepared in our workshops so that only your enjoyment, rather than further attention will be required upon delivery. Their pricing is regularly reviewed and adjusted where appropriate, so that they may provide, in light of superior condition, excellent value as well. Your inquiries, trade proposals, and visits to our premises, if only to share enthusiasms, are all most welcome.

**LSGT411 - 1965 Silver Cloud III Standard Sedan.** Sand, Beige hides. 20,562 mile Southern California delivered example, factory air conditioning and power windows. Astonishing condition throughout, likely the best available anywhere. Warranty available.

**2CX02018 - 2002 Corniche 335 HP Turbo.** Black Sapphire (the deepest Blue imaginable), Oatmeal hides, Blue piping and top. 21,147 miles, extensive ownership history and service history with ourselves. Written comprehensive mechanical warranty available.

**BAL26 - 1964 Bentley S-3 Long Wheelbase James Young B3.100 "Baby Phantom".** Brewster Green, Tan hides piped Spruce. High quality restoration, one of 2 RHD non-division examples built. 87,443 miles, written comprehensive mechanical warranty available.

**BC39LAR-1960 Bentley S-2 Continental H.J. Mulliner "Spur Coupe".** One of 26 alloy bodied left drives built. Bayard Crimson, Champagne hides, power windows, air conditioning, engine upgrade to S-3 specs. 1991-92 restoration by ourselves, still in fine order, Warranty available.

**SCX50151 - 1995 Corniche "S" - 385 hp Turbo #22 of 25.** White Pearl, Parchment hides, Tan piping and top. Factory chrome alloy wheels. 10,236 miles. Complete pedigree from new. Written mechanical warranty available.

**BC66LAR - 1960 Bentley S-2 Continental H.J. Mulliner Design 7508 Flying Spur.** One of 49 left drives built. Blue - Grey, Blue Grey hides as originally supplied. 54,000+ miles US delivered example, fine older UK restoration of an undamaged very elegant example. Interesting pedigree, warranty available.
